Week 2: 2/11 - 2/16

- Textbook reading assignment: chapter 7 (sections 1-5) & chapter 8 (sections 1-4)
- **Lab starts this week! Please see the [Laboratory page](#) for more information.**
- Please make sure to get situated with MasteringChemistry. Your first assignments are due 2/17 by 11:59 PM.
- [Key for the CH141 final](#) I posted last week.

Week 1: 2/6 - 2/8

- Textbook reading assignment: chapter 6 (all sections)
 - We are skipping chapters 1-3 in your textbook, but these should already be very familiar to you. If not, review as necessary.
 - We will be incorporating chapters 4 & 5 later in the semester.
- Overheads for the first few weeks [can be found here](#)
- **Please come to the Chemistry Department Poster Session this Friday at 3 PM in the Keyes 2nd floor hallway!**
- Don't forget ...
 - Lab starts next week. Please see the [Laboratory page](#) for more information.
 - Get registered and enrolled for the online homework ([MasteringChemistry](#))
 - All information and instructions can be found in [this document](#).
 - Your first assignments are due next Sunday, 2/18.
- Here is the [CH141 final exam from this past fall](#). You should be able to answer (or easily remind yourself how to answer) problems 1-6, 15, 17-20, and 22 ... and be generally familiar with all the others.
